

Industry Workforce Development Summit

A public-private partnership event to bolster educational resources and career opportunities in NC's building performance industry

Angela Cacace left a successful career in barbering to start her own construction business and enrolled in the Building Construction Technologies program at Central Carolina Community College (CCCC). On the first day of class, she was surprised to Casey Toth - ctoth@heraldsun.com

Attend the Summit in September in Raleigh to participate in:

- Developing new career pathways for industry trades
- Defining new apprenticeship program requirements
- Connecting faculty and educators from across the state
- Learning from students and emerging professionals
- Engaging state and local government leaders
- Highlighting success stories and sharing best practices

Registration, date and location coming soon...

How You Can Support the Summit:

Industry Companies:

- Purchase a Summit sponsorship
- Purchase a scholarship to fund faculty travel and registration costs
- Provide products, tools and supplies for faculty to use in their classrooms

Industry Professionals:

- Register to attend and/or present
- Participate in working group meetings on key workforce issues
- Advertise the Summit with your professional network

Faculty:

- Register on your own or request a company-sponsored scholarship
- Bring your curricula and classroom materials to review with your peers
- Bring a student with you so that they can participate and network

Students:

- Register to provide insight and network with industry companies

Workforce Agencies & Nonprofits:

- Register to participate in working group meetings and share the resources you have to support us!

**Registration coming soon.

Sponsorship Opportunities Available

Faculty Scholarship: \$350 per faculty

Sponsor the registration and travel costs for an in-state faculty member to attend the Summit! We need them at the Summit to learn about their needs and provide an opportunity to network with one another. Help them do so by funding their participation!

- 10 to 15 scholarships are anticipated.
- Company sponsorship will be advertised before, during and after Summit.

Working Group Sponsorship: \$1,000 per working group

Sponsor a working group at the Summit! Attendees will spend parts of the day in groups discussing key workforce development topic areas. Help fund this work by becoming a sponsor!

- Working groups may include these and other focal areas:
 - Apprenticeship program development
 - Career Pathways resource development
 - Curricula development
 - Internship and co-op program development
 - Engaging state and local government resources
- Company sponsorship will be advertised before, during and after Summit.

Headline Sponsorship: \$2,500

Become a headline sponsor to receive recognition of your company's support of the Summit! This sponsorship will fund the Summit's evening reception, location, food and beverages, and other costs.

- Up to three sponsorships available.
- Company sponsorship will be advertised before, during and after Summit.

Contact NCBPA to Purchase!

Please contact us at Info@BuildingNC.org or 919-841-6207 with your questions and to purchase a sponsorship!
