

NICHOLAS H. VEIT

1609 River Mill Drive, Raleigh, NC 27587 | (919)602-3810 | veitnh@appstate.edu

OBJECTIVE

Dedicated and passionate college student working towards a Bachelor of Science in Building Science at Appalachian State University. My goal is to use the knowledge I've gained in building science and construction processes to qualify for a position at your company. I am a conscientious student who knows how to work independently, thrives on creative projects, and is a key contributor to project success.

EDUCATION

Appalachian State University, Boone, North Carolina
